# Accessibility statement

This statement applies to content published on the domain: [rmis.jrc.ec.europa.eu](https://rmis.jrc.ec.europa.eu) – Raw Materials Information System (RMIS).

It does not apply to other content or websites published on any of its subdomains. These websites and their content will have their own specific accessibility statement.

This website is managed by unit D3 of the Joint Research Centre of the European Commission. It is designed to be used by as many people as possible, including people with disabilities.

You should be able to:

- zoom up to 200% without problems
- navigate most of the website using just a keyboard
- navigate most of the website using a modern screen reader and speech recognition software (on your computer or phone)

This website is designed to comply with the [technical standard for websites and mobile apps, EN 301 549, v.3.2.1](#). This closely follows level ‘AA’ of the [Web Content Accessibility Guidelines \(WCAG\) version 2.1](#).

## Compliance status

This website is **partially compliant** with [technical standard EN 301 549 v.3.2.1](#) and the [Web Content Accessibility Guidelines \(WCAG\) 2.1 Level AA](#). See ‘[Non-accessible content](#)’ for more details.

The website was last tested in June 2023.

## Preparation of this statement

This statement was reviewed in July 2023.

The statement is based on a review of a representative sample of web pages realised with web-based tools [Lighthouse](#) and [ARC Toolkit](#), using a combination of manual and automated testing.

## **Feedback**

We welcome your feedback on the accessibility of the RMIS website. Please let us know if you encounter accessibility barriers:

- E-mail: [ec-rmis@ec.europa.eu](mailto:ec-rmis@ec.europa.eu) (please refrain from providing sensitive information in the form, e.g. any information that would reveal personal financial information, information related to your health, or any other sensitive topic).

We try to respond to feedback within 15 business days from the date of receipt of the enquiry by the responsible Commission department.

## **Compatibility with browsers and assistive technology**

The website is designed to be compatible with the following assistive technologies:

- the latest version of Microsoft Edge, Google Chrome, Mozilla Firefox and Apple Safari browsers;
- in combination with the latest versions of JAWS, NVDA, VoiceOver and TalkBack.

## **Technical specifications**

The accessibility of the RMIS website relies on the following technologies to work with the particular combination of web browser and any assistive technologies or plugins installed on your computer:

- HTML
- WAI-ARIA
- CSS
- JavaScript

## **Non-accessible content**

Despite our best efforts to ensure accessibility of the RMIS website, we are aware of some limitations, such as several pages having poor contrast, problematic *alt* text and other inconsequential issues, which we are working to fix.
